Tumbi Talks // 24 August 2018

Principal's Message

One of the best things we can do for and with young people is to set and support the achievement of high expectations. As a Campus we consistently strive to do this across all areas – academic, behaviour, sport, cultural, creative and community. Our students do not disappoint.

I thank parents and carers for supporting us as together we work for the best future for all.

Take a moment to enjoy some highlights of our students' and staff recent achievements.

Changes to Standing Taller

This term is progressing well with great learning happening. It is pleasing to see so many students consistently organised with their equipment.

On the request of parents, we have made a small change to the Standing Taller criteria to make sure parents/carers are aware that their children have their equipment for all lessons.

Students who do not have equipment can only score 3 in a subject. Please encourage personal organisation – it is a key skill required beyond school.

Kuriwa AECG Meeting

Our campus was incredibly proud to host this terms AECG meeting. The meeting was very well attended, showcasing the excellent partnerships across our learning communities and our deep commitment to Aboriginal Education for all.

21st Celebration

Saturday 8th September

OPEN DAY
10am - 2PM

Celebrating 21 years of
Education

Wakakirri

Our Wakakirri students and staff did us proud once again at the Wakakirri Heats in Sydney. Their performance of "The Rabbits" in the 2018 heats was absolutely flawless.

The judges' comments spoke in awe of the light and shade within the performance, our choreography, sets, the ark of performance and standard of dance!

We received 3 Awards on the night:

Lighting Design and Call
Individual Hair and Make Up
Best Teamwork

We also received the award for “The Best Australian History Award”.

Students are now preparing for the Final on 10 September!

NSW PSSA Rugby League Champions

Congratulations to our 14 boys Rugby League team who are State Champions for the second year running. The boys played incredibly well in Sydney. They play hard but were extremely humble and respectful in the way they approached their footy and opponents.

Well done to the boys and their coaches on another great achievement.

New Space Opening

We thank our local member Mr David Meehan for his support of the application made by Mrs Riley to beautify this space. The end result is amazing!

Booyah Graduation

We are proud to partner with Bateau Bay PCYC to offer additional programs for our students.

It was great to see and celebrate the graduation of our students from this valuable learning experience.

Science Week

As part of Science Week, the amazing 7W were charged with the task of re-purposing household recyclable materials into new items. They all stepped up to the challenge and produced a range of fantastic and innovative ideas including phone speakers, charging stations, bird feeders, bait fish traps, pencil and candle holders and a shoe box football table.

We also held the Inaugural Paper Plane Competition! Thirty students participated and tried their luck at securing a qualifying throw. The qualifying distance is 20m and the qualifying air time is 6 secs.

All students folded a variety of planes and had lots of fun throwing them around the gym! Unfortunately, no one quite made the qualifying distance or time for us to enter the official comp. However our 2018 TUC Champ is William Christie (Year 7) with air time of 5.9 sec.

HSC Dance Composition

Four amazing students performed as HSC composition dancers for The Entrance Campus Year 12 students. They were all beyond incredible with some seniors in tears from how amazing the dancers performed.

These girls have volunteered hours of their time to help out and did a phenomenal job. We congratulate Ellie, Soul, Maddison and Jaida

Debating

Year 7/8 Debating team recently experienced their first debate at Lisarow High School against Northlakes High School. Despite their great teamwork and excellent debate they lost the first round by a slim margin. They learned so much from the experience.

The team had a great day working alongside students from Berkeley Vale, Lisarow and Northlakes High Schools.

Oztag Gala Day

Year 7/8 boys and girls Campus Oztag teams recently competed in a gala day at Adcock Park.

The boys dominated all day winning all the round games by multiple tries. They played St Edwards, hot favourites to win the day, in the final. The Tumbi boys started strongly and blew them off the park with a 6-2 win. Noah was named man of the match.

The girls also went through the day undefeated. They played with an overall skill level that was too hard to compete against. They met Terrigal in the final and once again blew them off the park winning 6-2. Krystal was the woman of the match.

We thank all students for the manner in which they conducted themselves and their coaches.

Girls Rugby

The Tuggerah Lakes Secondary College U13's and U15's Girls Rugby 7's had a great day at the Waratahs Gala Day winning a number of games.

Most girls were having their first experience at competitive rugby and had a great time trying something new.

Thank you to Mrs Croft, Mr Meyer and Mr Woutersz for the support and coaching on the day.

Rotary Dinner – RYPEN

Sean and Zac represented Tumbi Campus brilliantly at the Rotary Dinner where they spoke about the RYPEN camp and thanked the Rotary Club for the continued support given to our Campus.

The Rotarians were all extremely impressed with the boys and how well they spoke about the opportunity.

Thank you to Ms Carpenter-Salmon for encouraging the strong partnership between the school and the Rotary and providing the students with such a wonderful opportunity.

Beautiful Minds

Year 8 girls attended a Beautiful Minds program at Crowne Plaza Terrigal enjoying a lovely high tea. The program explored relevant issues including body image, healthy relationships, sexting and managing anxiety and depression.

All of the young women left the session feeling empowered and educated about self-worth, confident to be themselves in a world where image is everything but often means little

Student Success

Congratulations to Joel who competed with the NSW U16 All Schools Hockey Team at the School Sport Australia U16 Championships last week on the Gold Coast.

Joel and his team came away with a Bronze medal after a great week and losing only one game. Well done Joel!

Duke of Ed Bronze Award

Congratulations to Zac for achieving his Bronze Award. Zac has been consistent in:

- volunteering
- physical challenges
- skills development
- expedition planning

Zac is a fine example of a young person making the most of every opportunity available.

Mingara Baseball Club

MINGARA REBELS BASEBALL CLUB Est. 1981

COME AND PLAY
BASEBALL

2018 – 2019
